Class 3b. All unplatted real estate, except as provided by class one (1) hereof and which is used for the purposes of a homestead, shall constitute class three "b" (3b) and shall be valued and assessed at twenty-five (25) per cent of the full and true value: Provided, if the true and full value is in excess of the sum of $4,000.00, the amount in excess of said sum shall be valued and assessed as provided for in class four (4) hereof: Provided, that the first $4,000.00 full and true value of such unplatted real estate used for the purpose of a homestead shall be exempt from taxation for state purposes; except that said first $4,000.00 full and true value shall remain subject to and be taxed for the purpose of raising funds for the discharge of the interest on and principal of the bonded indebtedness incurred prior to and existing at the time of the passage of this act.

Class 3c. All platted real estate, except as provided by class one (1) hereof and which is used for the purpose of a homestead, shall constitute class 3c and shall be valued and assessed at twenty-five (25) per cent of the full and true value: Provided, if the true and full value is in excess of the sum of $4,000.00, the amount in excess of said sum shall be valued and assessed as provided for in class four (4) hereof: Provided, that the first $4,000.00 full and true value of such tract of platted real estate used for the purpose of a homestead shall be exempt from taxation for state purposes; except that said first $4,000.00 full and true value shall remain subject and be taxed for the purpose of raising funds for the discharge of the interest on and principal of the bonded indebtedness incurred prior to and existing at the time of the passage of this act.

For the purpose of determining subjects of all officials based on assessed valuations and of determining tax limitations and authorized debt limitations now established by statute or by charter, all real estate classified under classes three (3) and four (4) shall be set out at the true and full value thereof respectively.

Class 4. All property not included in the preceding classes shall constitute class four (4) and shall be valued and assessed at forty (40) per cent of the full and true value thereof.

Section 1085, Mason's Minnesota Statutes, 1927. The county auditor shall annually provide the necessary assessment books and blanks at the expense of the county, for and to correspond with each assessment district. He shall make out, in the real property assessment book, complete lists of all lands or lots subject to taxation, showing the names of the owners, if to him known, and, if unknown, so stated opposite each tract or lot, the number of acres, and the lots or parts of lots, or blocks included in each description of property. The list of real property becoming subject to assessment and taxation every odd numbered year may be appended to the personal property assessment book. The assessment books and blanks shall be in readiness for delivery to the assessors *on or before the third Monday in APRIL, of each year.*

The assessors shall meet at the office of the county auditor *on a day to be fixed by the Minnesota Tax Commission* for the purpose of receiving instructions as to their duties under the laws of the state. Each assessor attending such meetings shall receive as compensation for such service the sum of *four dollars per day for each day necessarily consumed in attending and meeting* and mileage at the rate of five cents per mile for each mile necessarily traveled in going from his home to and returning from the county seat to be computed by the usually traveled route and paid out of the county treasury *upon the warrant of the county auditor.*
