You assessed this at 33 1/3%

It has formerly been assessed at 40% which would equal the red figures I have inserted.

Does your town board wish to make such a reduction below your 33 1/3% which is already low?

Are these town board changes on the plat or on the bldgs?

Please draw a line through the figures that have town board changes and write above each the full and true value after Town Board change.
