Section 1936, Mason's Minnesota Statutes, 1927.—The county auditor shall annually provide the necessary assessment books and blanks at the expense of the county, for and to correspond with each assessment district. He shall make out, in the real property assessment book, complete lists of all lands or lots subject to taxation, showing the names of the owners, if to him known, and, if unknown, so stated opposite each tract or lot, the number of acres, and the lots or parts of lots or blocks, included in each description of property. The list of real property becoming subject to assessment and taxation every odd numbered year may be appended to the personal property assessment book. The assessment books and blanks shall be in readiness for delivery to the assessors on or before the third Monday in April of each year.

The assessors shall meet at the office of the county auditor on a day to be fixed by the Minnesota Tax Commission for the purpose of receiving instructions as to their duties under the laws of the state. Each assessor attending such meetings shall receive as compensation for such service the sum of four dollars per day for each day necessarily consumed in attending said meeting and mileage at the rate of five cents per mile for each mile necessarily traveled in going from his home to and returning from the county seat to be computed by the usually traveled route and paid out of the county treasury upon the warrant of the county auditor.

Special Notice to Assessors

I would respectfully call the attention of Assessors to the following portion of Section 2037, Mason's Minnesota Statutes, 1927.

The assessor shall foot each column in his assessment books, and make in each book, under proper headings, a tabular statement showing the footings of the several columns upon each page. He shall also foot the total amounts of the several columns under the respective headings. On or before the first Monday in July he shall return to the County Auditor his assessment books, and deliver therewith the lists and statements of all persons assessed, all of which shall be preserved in the office of the auditor.

NOTE—It is absolutely necessary for the Auditor to have the Assessment Books and Blanks as early as possible in order to prepare his abstract for the use of the Board of Equalization.

Notice of Return and Filing

This Assessment Roll was returned and filed in my office this 1st day of June, A. D., 1941.
