G. Mattatall,
 Assessor Crooked Lake Twp.,
 Remer, Minnesota.

Dear Sir:-

Upon referring to the assessment records for Crooked Lake Township, we find that no return has been made on the muskrat fence which runs along the west side of the lake. This should be assessed as an improvement on the land on which it is situated.

Will you therefore, at your earliest convenience, check up on this matter, ascertaining the description or descriptions on which the fence is located, the date of the erection of same and the full and true value of the fencing on May 1st, 1929.

Am enclosing herewith a return envelope for your reply.

Yours very truly,

A. A. Cater

County Auditor.
