Dec. 23, 1932.

Oscar Gooden,
Assessor Ponto Lake Twpp,
Beckus, Minnesota.

Dear Sir:-

Since your assessment returns were made, Lot 1 of Sec. 33, 139-29, has been sold by the Metzroth Clothing Company, Inc., to Evert Hall and Hazel Johnson. Evert Hall now owns the $E\frac{1}{2}$ of the lot and Hazel Johnson the $W\frac{1}{2}$. The assessment as returned on the lot by you was as follows:

Land -	\$ 444
Bldgs. -	<u>300</u>
	\$ 744

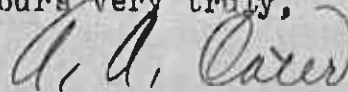

The assessment as finally equalized by the County Board and the State Tax Commission is as follows:

Land -	\$ 455
Bldgs. -	<u>260</u>
	\$ 715

Before extending the taxes for the coming year, we should like to have this value divided so that a separate tax may be extended against each tract. Please advise whether the land assessment should be equally divided or if not, how much should be assessed against each tract. Also advise on which tract the buildings are located.

Thanking you for an early reply, I am

Yours very truly,

County Auditor.

ELP

Backus Firm.

Dec. 27-32

Mr Cater

walker
min.

Dear Sir.

These buildings are on the West half of this lot.

The land or price of land should not be divided equally, as all the lake shore would be included in west half.

Take your card that covers this lot. It tells on it how many acres were assessed as lake shore property & how much an acre it was valued at. After deducting lake shore out there will be wild land. The card also tells what it was assessed at. By going by figures on card you can divide it exactly. I haven't a thing to go by I don't know now how many acres there are in the lot, but I'm sure the card is correct. It was filled out in the presence of one of metrolks.

Oscar Gooden
