Surveyor's Note: It was verified by field observation, that portions of the centerline of State Highway No. 84 and the South line of the South Half of the Southwest Quarter are one in the same. We have created legal descriptions for Parcels A, B and C by describing them as referred to the south line of the section in order to eliminate future ambiguities regarding the position of the centerline of State Highway No. 84. Legal advice should be obtained to insure that proper title is conveyed.
