NOTE:

The plat Dedication of BREEZE-WAY, plat of record, Cass County, states "...we hereby donate and dedicate to the public use forever all Streets as shown by this plat. With perpetual easement to Lot owners for ingress and egress over and across Outlot A and Outlot B along roadway to be laid out from Street Southerly to connect with the main traveled road at the south line of said Government Lot 2". The plat shows Sub Street, which would be dedicated for public use, and Road to Resort, which would have a perpetual easement for ingress and egress.
