NOTES:

- Zoning for subject tract = Shoreland Residential.
- Parcel ID for subject tract = 38-133-1108.
- Improvements other than those shown on this certificate, may exist that were not located during this survey. The wetlands as shown were delineated by Patrick Reardon, Wetland Certification No. 1295, in August of 2018.
- All lines marked with flagging are only an approximation of the true boundary lines and are not to be used as an exact boundary location. Flagged lines should not be used for the establishment of improvements. To mark true boundary lines additional monumentation would be required.
- This survey reflects the located shoreline at the time of this survey, not the Ordinary High Water Elevation (OHWE). The 100 foot lake setback from Long Lake falls within the Right of Way of Sixth Lake Road.
- Northern Engineering and Consulting, Inc. was not given nor has conducted a current title search for the subject property. Therefore the information contained in a title search may or may not be accurately shown on this certificate.
