

Notation: Shaded outlines show areas included in flowage at normal pond levels at Elevation 1177.03 for Sylvan Pond, and 1193.0 for Pillager Pond.

Notation: Notation under Section, Township & Range No's in center of each section refers to number of Aerial Photo used in mapping the section and which can be referred to for details in regard to improved property, wooded areas, buildings and all other detail not shown on this map.

Photos are on file under "Sylvan-Pillager Land and Flowage Survey" Vertical Aerial Photos.

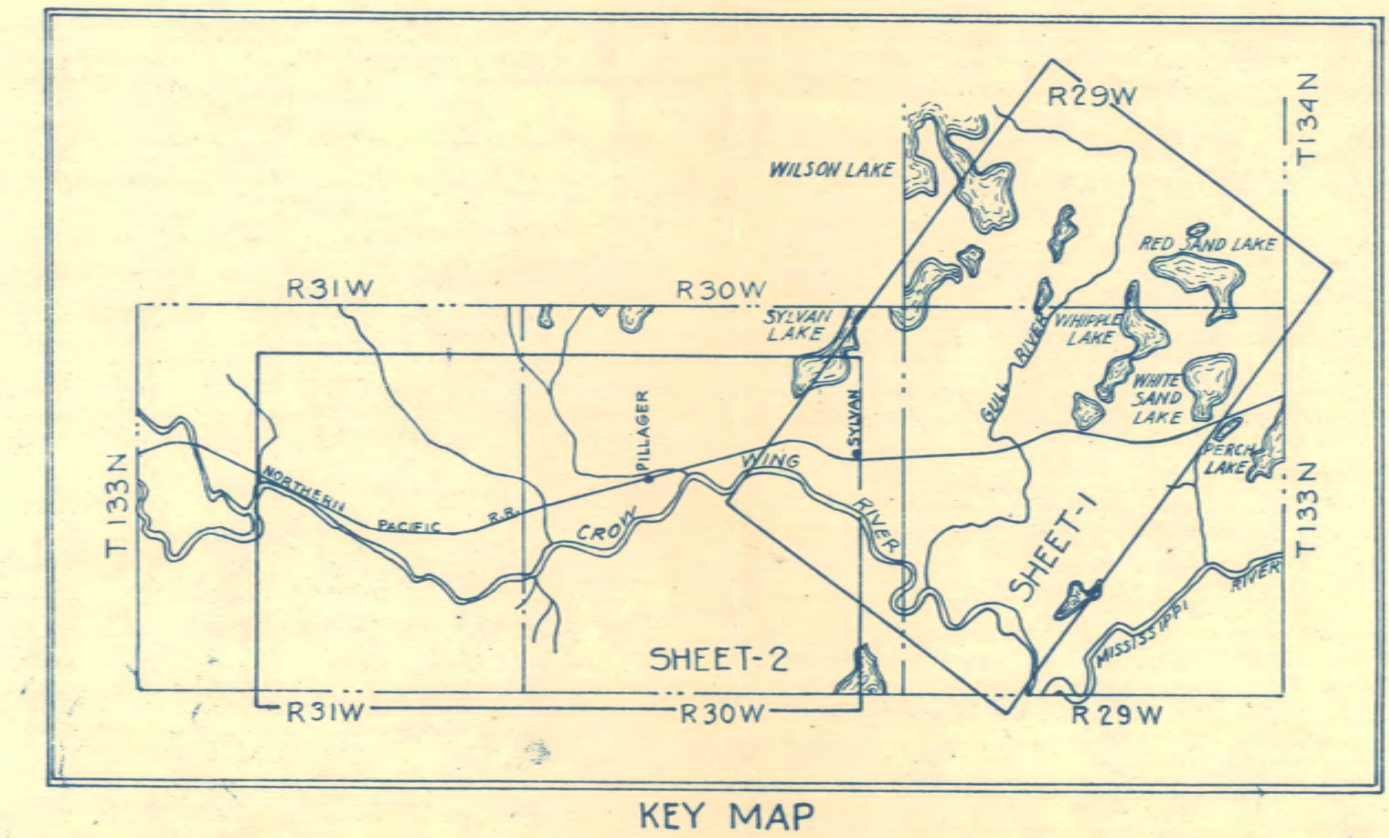

Note: Elevations are referred to Mean Gulf Level at Biloxi, Mississippi as datum.

Status of Gov't. Corners
