DOCUMENT NO. 232264

Statement of Evidence:

Northeast Corner Section 15, Township 133 North, Range 30 West, 5th Principal Meridian.

The original public land survey was run in 1870 by Mr. William P. Allen and a wood post was set to mark the corner.

In 1911 Mr. Harold Curo, Cass County Surveyor, set a 3" iron pipe at this location from Mr. Allen's bearing trees.

In 1922 Mr. Curo used the pipe for some survey work in Section 15.

In 1947 Mr. John Curo, Cass County Surveyor, made three tree ties to the 3" iron pipe.

In 1977 the Minnesota Department of Transportation recovered the 3" iron pipe and Mr. Curo's three bearing trees.

For details and survey analysis, contact the Minnesota Department of Transportation District Surveys Office in Brainerd.
