Statement of Evidence:

- 1873 U.S. General Land Office survey set wood post for this corner and marked the following bearing trees: 4" Birch N 62° E 9 links and 5" Birch N 37 W 4 links.
- 1980 County Surveyor's Records in the Recorder's Office were checked and no resurvey information was found on this corner.
- 1980 U.S. Forest Service office in Cass Lake was contacted for information and no resurvey information was found on this corner.
- 1981 A traverse was run in cooperation with Bill Olson, USFS technician, between the SE and NE corners of Sec. 27. No evidence of this corner was found or of the two meander corners between this corner and the SE corner of Sec. 27. I therefor concluded that this corner was lost and reestablished it midway and on line between the SE and NE corners of Sec. 27.
