County Recorder Deulah Herdiker

By MS, Deputy

DOCUMENT NO. 264939

Statement of Evidence:

- 1873 U.S. General Land Office survey set wood post for this corner and marked the following bearing trees: 4" Tamarack S 38 E 19 links and 4" Tamarack N 11 W 33 links.
- 1937 U.S. General Land Office dependent resurvey reestablished this corner by proportionate distance. No evidence was found of the original corner or bearing trees. An iron pipe with a marked brass cap was set to mark the corner. The following bearing trees were marked: 8" Poplar N 64 E 328 links and 10" Poplar S 59 W 259 links.
- 1980 U.S. Forest Service technician R. Olesen found the corner monumented with a GLO brass cap monument in good condition. The following bearing trees were found: Aspen stump N 64 E 216.5' and 14" Aspen stub S 59 W 167.6'. Two new bearing trees were marked and are shown on this certificate. Steel sign posts were set S 45 E 5.9', N 45 W 8.95', and North 1.8' from the corner.
- 1982 County Surveyor's Records in the Recorder's Office were checked and no resurvey information was found on this corner.
- 1982 Analysis of the above data indicates that the location of this Government corner has been perpetuated. I accepted the monument as marking the corner location as when set in 1937 by the GLO resurvey based on bearing tree evidence.
