Statement of evidence relative to this corner location is on back of page.	
I hereby certify that this document and the data	264943 OFFICE OF THE COUNTY RECORDER
contained herein was prepared by me or under	County of
my direct supervision.	I hereby certify that this document was filed in
Day H. Stevenson 9-13-82 SIGNATURE DATE	the Co. Recorders office at 9:56 A. M. on the 14 day of A.D., 1962
Registration No. 17694	County Recorder Berelah Herbrich
☑ Land Surveyor, ☐ Professional Engineer	By M S ,Deputy
☐ County Surveyor, ☐ County Engineer	DOCUMENT NO. 264943

Statement of Evidence:

- 1926 U.S. General Land Office dependent resurvey established this corner and an iron pipe with a marked brass cap was set to mark the corner. The following bearing trees were marked: 8" R. Oak S.61 E 50 links and 10" W. Oak S 23-30 W 36 links.
- U.S. Forest Service records show the following: S. Morrison found the 1961 brass cap monument and the W. Oak bearing tree alive. The R. Oak stump was found nearly rotted away.
- 1980 U.S. Forest Service technician G. Brama found the corner monumented with a GLO brass cap monument in good condition up 6". The following bearing trees were found: 15" W. Oak S 24 W 23.76!. No remains found of the R. Oak. Two new bearing trees were marked and are shown on this certificate.
- 1982 County Surveyor's Records in the Recorder's Office were checked and no resurvey information was found on this corner.

- . - . 1982 Analysis of the above data indicates that the location of this Government corner has been perpetuated. I accepted the monument as marking the corner location as when set in 1926 by the GLO resurvey based on bearing tree evidence.
