DOCUMENT NO. 267953

Statement of Evidence:

East Quarter Corner, Section 19, Township 139 North, Range 30 West, 5th Principal Meridian.

The Original Public Land Survey was run in 1865 and a wood post was set to mark the corner.

We could not find any other survey information relating to the corner location.

In 1981, the Minnesota Department of Transportation searched the area and did not find any evidence of the corner.

The Minnesota Department of Transportation set a cast iron monument at the lost location, **midway & on line between the NE Cor. Sec. 19 and the NE Cor. Sec. 30.**

For details and survey analysis, contact the Minnesota Department of Transportation Surveys Office in Brainerd, Minnesota.
