Statement of Evidence:

On 2-27-1983, Walter E. Curo, a registered land surveyor and Ken Metcalf found the concrete monument lying by a tree north of the new road just constructed in the fall of 1982. We reset the concrete monument from the bt's made by Curt Krause and the original bt. stump N 83 W 39 links. As these bt's are in good condition, we do not make any new one's.
