Statement of Evidence:

The East Quarter Corner, Section 17, Township 133, Range 30, 5th Principal Meridian, Cass County, Minnesota was set under the Public Land Survey as a post with two bearing trees by William P. Allen in Nov. 1870. No traces of post or trees now exist.

In 1911, John Curo, RLS 1428, found an old cast sled shoe and a root northwest of willow bearing tree. He set a 2" x 48" galvanized iron pipe in concrete.

In 1944, Minnesota D.O.T. found an iron pin 6" below the surface at intersection at roads.

In 1952 Mn D.O.T. found an iron pin in place 63½' north of centerline.

In June 1984, Comstock & Davis found nothing at the East Quarter Corner of Section 17-133-30 but set a Cast Iron Monument using MN D.O.T. information. Refer to Comstock & Davis file #84014, book 10, page 22.
