## Statement of Evidence:

Original Government Survey

Corner was set in 1870 by Orville Smith

In 1956 John Howard used this iron in Plat of Birch Park and labeled it as MC

In 1969 R.F. Schneider, Registered Land Surveyor #5740, used this iron in survey in Section 34, Township 140, Range 29

In 1977 iron was used by Myron Landecker, Registered Land Surveyor #7452, in lot survey of said plat.

On 11/25/80 Landecker again used MC iron in new Plat of Trednuk Sand Lake Addition, Section 34, Township 140, Range 29

On 7/17/81 Landecker again used MC to provide evidence for position of Southwest corner of Section 34, Township 140, Range 29

Myron Landecker believes this corner to be a perpetuation of the original Government corner.
