County Recorder Clouline Kaylor
By MS, Deputy

DOCUMENT NO. 279228

Statement of Evidence:

- 1874 U.S. General Land Office survey set wood post for this corner and marked the following bearing trees: 10" Birch N 4 E 8 links and 8" Birch S 11 E 7 links.
- 1919 U.S. General Land Office dependent resurvey reestablished this corner by proportionate distance. No evidence found of the original corner or bearing trees. An iron pipe with a marked brass cap was set to mark the corner. The following bearing trees were marked: 10" Balsam N 59 E 119 links and 12" W. Oak S 25-30 W 109 links.
- 1980 U.S. Forest Service technician C. Krause found the corner monumented with a GLO brass cap monument down 3" below road surface at north edge of east-west road. The following bearing trees were found: W. Oak stump S 25 W 71.9'. Three new bearing trees were marked and are shown on this certificate.
- 1982 County Surveyor's Records in the Recorder's Office were checked and no resurvey information was found on this corner.
- 1982 Analysis of the above data indicates that the location of this Government corner has been perpetuated. I accepted the monument as marking the corner location as when set in 1919 by the GLO resurvey based on bearing tree evidence.
