County Recorder Clonnie Kayler

By MS, Deputy

DOCUMENT NO. 279340

Statement of Evidence:

- 1919 U.S. General Land Office dependent resurvey established this corner and an iron pipe with a marked brass cap was set to mark the corner. The following bearing trees were marked: 6" Spruce N 46 W 64 links and 10" N. Pine S 59 E 73 links.
- 1980 U.S. Forest Service technician G. Brama found the corner monumented with a GLO brass cap monument in good condition up-16". The following trees were found: 23" N. Pine S 59 E 48.2'. No evidence found of the Spruce. Two new bearing trees were marked and are shown on this certificate.
- 1982 County Surveyor's Records in the Recorder's Office were checked and no resurvey information was found on this corner.
- 1982 Analysis of the above data indicates that the location of this Government corner has been perpetuated. I accepted the monument as marking the corner location as when set in 1919 by the GLO resurvey based on bearing tree evidence.
