County Recorder Claudine Kayler
By MS, Deputy

DOCUMENT NO. 281673

Statement of Evidence:

G5

This corner was originally established in April, 1876, by B.C. Baldwin, Deputy Surveyor. The field notes of that survey are filed in the office of the Secretary of State, St. Paul, Minnesota. Mr. Baldwin's notes state that a post was set to mark the corner and referenced by the following:

A 12" Tamarack that bears N71°E a distance of 46 links [30.36 feet]
A 6" Cedar that bears N16°W a distance of 23 links [15.18 feet]

On June 27, 1984, personnel from Advance Surveying & Engineering Co. made a thorough search for this corner and the above mentioned references but to no avail. However we do find an old U.S.F.S. location tag on a Birch stub approximately 175.0 feet to the South.

On November 29, 1984, an additional search was made by Advance prior to reestablishing this corner at its "lost" position half way and on line between adjacent Section corners.
