Statement of Evidence:

G21

This corner was originally established in April, 1876, by B.C. Baldwin, Deputy Surveyor. The field notes of that survey are filed in the office of the Secretary of State, St. Paul, Minnesota. Mr. Baldwin's notes state that a post was set to mark the corner and no trees for reference.

On August 6, 1984, personnel from Advance Surveying & Engineering Co. made a thorough search for this corner but to no avail. This search area is now an open Marsh.

On January 23, 1985, an additional search was made by Advance prior to reestablishing this corner at its "lost" position on line between adjacent section corners and the distance is prorated between the Northeast corner of Section 2 and the Southeast corner of Section 11.
