County Recorder Claudine Kaylor

By MS, Deputy

DOCUMENT NO. 281803

Statement of Evidence:

N5

This corner was originally established in April, 1876, by B.C. Baldwin, Deputy Surveyor. The field notes of that survey are filed in the office of the Secretary of State, St. Paul, Minnesota. Mr. Baldwin's notes state that a post was set to mark the corner and referenced by the following:

- A 12" Cedar that bears N60°E a distance of 12 links [7.92 feet]
- A 12" Cedar that bears S39°E a distance of 26 links [17.16 feet]
- A 12" Cedar that bears S39°W a distance of 15 links [9.90 feet]
- A 12" Cedar that bears N64°W a distance of 24 links [15.84 feet]

In 1936, Mr. Hanson, Party Chief, with the U.S. Forest Service indicates he found a scribed stake in good condition. No mention of references.

On June 11, 1984, personnel from Advance Surveying & Engineering Co. made a thorough search for this corner and the above mentioned references but to no avail.

On October 18, 1984, an additional search was made by Advance prior to reestablishing this corner by Double proportionate methods between the Northeast corner of Section 16 and the Southeast corner of Section 30 and between the Northwest corner of Section 19 and the Northeast corner of Section 20.
