DOCUMENT NO. 281966

Statement of Evidence:

T5

This corner was originally established in April, 1876, by B.C. Baldwin, Deputy Surveyor. The field notes of that survey are filed in the office of the Secretary of State, St. Paul, Minnesota. Mr. Baldwin's notes state that a post was set to mark the corner and referenced by the following:

A 16" Birch that bears N32°W a distance of 20 links [13.20 feet]
A 6" Balsam that bears S14°E a distance of 18 links [11.88 feet]

On June 28, 1984, personnel from Advance Surveying & Engineering Co. made a thorough search for this corner and the above mentioned references but to no avail. This search area is at the corner of a Spruce and Pine plantation to the Northwest and Southeast.

On October 3, 1984, an additional search was made by Advance prior to reestablishing this corner at its "lost" position half way and on line between adjacent section corners and as shown on the sketch.
