By ms, Deputy

DOCUMENT NO. 281971

Statement of Evidence:

V3

This corner was originally established in April, 1876, by B.C. Baldwin, Deputy Surveyor. The field notes of that survey are filed in the office of the Secretary of State, St. Paul, Minnesota. Mr. Baldwin's notes state that a post was set to mark the corner and referenced by the following:

A 16" Lynn that bears S13°E a distance of 83 links [54.78 feet]
A 8" Balsam that bears N19°W a distance of 37 links [24.42 feet]

On September 16, 1914, James H. Flynn, Deputy Surveyor, Cass County. His notes state that he finds Gov't Bearing Tree to the Southeast and the corner to be on the centerline of the Township Road. From County Survey Record Book " C ", page 547. (also on microfilm)

On July 20, 1984, personnel from Advance Surveying & Engineering Co. made a thorough search for this corner and the above mentioned references but to no avail. This search area is determined from our field traverse.

On September 14, 1984, an additional search was made by Advance prior to reestablishing this corner at its "obliterated" position at the centerline-centerline of Cass County Road 3 and the Township Road to the South and extension of a fence line from the North.
