☐ County Surveyor, ☐ County Engineer	DOGGINETI NO.

STATEMENT OF EVIDENCE FOR: Southeast corner, Section 30, Township 135 North, Range 29 West, Cass County, Minnesota.

In 1865 the original Government Survey was performed and a wood post was set to mark this corner location.

In 1916 E. B. Horst found old Government stake and all BT's dead and set a 2" x 48" boiler flue. County Book "B", page 538-541. Also in 1916 he uses said corner. County Book "B", page 550 - 553.

In 1985 Landecker & Associates, Inc. while surveying in said Section 30 found the 2" x 48" boiler flue as set by Horst in 1916 and accepts this corner to be a perpetuation of the original Government corner.
