STATEMENT OF EVIDENCE South Quarter Corner Section 27, T. 142 N.,
R. 26 W., 5th P.M.

- 1872 U.S. General Land Office survey set a wood post for this corner and marked the following bearing trees: 4" Tamarack N 82 W 6 lks., 4" Tamarack S 51 E 37 lks. The running notes call for the corner to be at 5 chains from East side of swamp and 2 chains to West side.
- 1982 County Highway Department and Terry Freeman, Cass County Surveyors Office, made a search for this corner but found nothing.
- 1986 Walter E. Curo set a point at the mid-point between the Northeast and the Northwest corner of Section 34. This point is about 24' West of where the swamp calls would put it. When we measured West 330' from the approximate East edge of the swamp, we come out in line with an old fence post in the swamp to the South. We set the corner at this point and on line between the Section corners.
