North Quarter Corner Section 26, Township 140 North, Range 29 West

The DNR Bureau of Engineering contacted the following for survey information:

Minnesota Secretary of State's Office Cass County Surveyor's Office Gary Stevenson, RLS, Walker, MN Walt Curo, RLS, Hackensack, MN Roger Mustonen, RLS, Hackensack, MN

- This corner was established by the U.S. General Land Office marked with a post and witnessed by the following bearing trees:

 Basswood, 5" North 45 East, 25 links (16.5')

 Blk Oak, 5" South 12 East, 25 links (16.5')
- 1952 November, In survey record no. 652, County Surveyor, Harold Curo, states that he drove a 2" by 30" iron pipe at the "true point for the 1/4 corner", but no information is given as to how this position was arrived at.
- 1960 June, A field crew for the Department of Natural Resources, Bureau of Engineering (hereinafter referred to as the DNR-BOE), found an iron pipe in the vicinity of the quarter corner.
- 1982 August, A DNR-BOE field crew found a bent over 2" iron pipe down 0.3 of a foot with a 1/2" iron pipe along side. The 2" iron pipe is 73.7 feet north of the section line.
- 1983 A position for the quarter corner was computed lost between the section corners east and west.
- 1991 July, A survey marker was set at the computed position and ties were taken as shown on the face of this certificate.
