County Recorder Christine Kaylar  
By N.O., Deputy

DOCUMENT NO. 347760

**Statement of Evidence:** Reference Monument on North Line of Section 35,  
Township 139 North, Range 26 West, Roosevelt Lake

In 1863 the original public land survey was run and a wood post was set at the Meander Corner on the east side of Roosevelt Lake, 248.82 feet east of the Northwest Corner of Section 35 which falls in Roosevelt Lake. Distance was measured on the ice.

1946 plat "Part of Lot 7-S26-T139N-R26W" by Gus Holmstrom calls for an iron pipe at the corner and an iron pipe 360.0 feet east at the Southeast Corner of Lot 1.

1951 Mn/DOT location notes calls for said iron pipes and shows a distance of 359.9 feet between them.

In 1969 Mr. Don Coulter surveyed Government Lots 1 and 2 in Section 35 and indicated he found a monument at said Southeast Corner of Lot 1 and a 3/8 inch by 2 foot rerod 386.02 feet west of said Southeast Corner of Lot 1.

In 1991 Mn/DOT recovered the iron pipe at said Southeast Corner of Lot 1 and a 1-1/4 inch iron pipe 384.26 feet west of said Southeast Corner of Lot 1. The 1-1/4 inch pipe fits the north line of Section 35 and is 24.26 feet west of the pipe shown near Roosevelt Lake on the plat of "Part of Lot 7-S26-T139N-R26W." Mn/DOT accepts this pipe as a reference monument on the north line of Section 35.

For details and survey analysis contact the Mn/DOT Surveys Office in Baxter, MN.
