Statement of Evidence:

Reference Monument on West Line of Section 35,
Township 139 North, Range 26 West, Roosevelt Lake

In 1863 the Original Public Land Survey was run and a wood post was set at the meander corner on the south side of Roosevelt Lake 2072.40 feet north of the West Quarter Corner of Section 35.

1951 Mn/DOT location notes call for an iron pipe 420.1 feet north of P.O.S.T. Station 390+22.5.

In 1969 Mr. Don Coulter surveyed Government Lots 1 and 2 in Section 35 and indicates he found a monument on the west line of Section 35, 2019.32 feet north of the West Quarter Corner of Section 35.

In 1991 Mn/DOT found a 1-1/2 inch pipe on the west line of Section 35 2019.40 feet north of the West Quarter Corner of Section 35. This pipe also agrees with the 1951 location and is accepted by Mn/DOT as a Reference Monument on the west line of Section 35.
