■ Land Surveyor, □ Professional Engineer				County Recorder Claudine Kaylor				
☐ County Surveyor, ☐ County Engineer				By				

North Quarter Corner Section 1, Township 134 North, Range 30 West

The Department of Natural Resources, Bureau of Engineering contacted the following offices for information regarding this corner:

MN Secretary of State
Cass County Surveyor
Cass County Highway Engineer
Central Minnesota Surveying of Brainerd
Widseth, Smith and Nolting of Brainerd
Landecker and Associates of Pequot Lakes

1858 The U.S. General Land Office field notes, on file in the Secretary of State's Office, show this corner to be marked with a post, 5 chains(330') west of a creek and the following bearing trees are marked:

Tamarack 10" S 72° E 494 links (326.04') Tamarack 9" N 87° E 572 links (377.52')

- In January, this corner and the northwest corner of section 1 were searched, but not found. Landecker and Associates started a survey of section 2 and needed to established the corners along the township line. They found the northwest corner of section 2 and a position for the northeast corner of section 1 was computed from a witness corner. They computed the corners in between lost and searched for them without finding anything. They set the north quarter and northeast corners of section 2 lost.
- 1999 In March, a 3/4" x 24" rebar with a MN DNR SURVEY MARKER cap was set in an open bog to mark the corner at the lost position between section corners. The corner falls 94' +/-south of the center line of a creek.

For more information on this corner please contact MN DNR, Bureau of Engineering, Survey Section, 500 Lafayette Road, St. Paul, MN 55155-4029
