Statement of Evidence

North Quarter, Section 4, T. 135N. R. 30W., 5th P.M.

1911- W.H. Luffman prepared plat of PLEASANT HILL CEMETARY in 1911, Luffman States that he established the north line of the plat by measuring 33 feet south of the line between the North 1/4 Corner of Section 4 and the Northeast Corner of Section 4, 4 concrete monuments were set to establish the boundaries of the plat.

04/07/2005- Westwood Professional Services finds the 4 concrete monuments and uses a distance of 33 feet north of the monuments to establish the section line. The east-west postion for the N1/4 Corner was established by testimony of Albert Maine, a long time resident of the area. There are 2 old fences going south (7' apart) at the North 1/4 Corner and his testimony stated that the westerly fence has been the accepted line.

Westwood Professional Services, Inc. sets a 1/2" pipe capped R.L.S. 17253 as shown on the face of this survey.
