 Title:  Land Surveyor     Professional Engineer     County Surveyor     County Engineer

**Statement of Evidence:** Northeast Corner of Section 23, Township 133, Range 31 West, 5<sup>th</sup> Principle Meridian, Cass County Minnesota.

The Original Government Survey was run in 1863 and a post was set to mark the corner. Bearing ties were made to a White Oak and two Aspen trees.

In 1912, Mr. John Curo recovered the stump and roots of the bearing tie trees and set a 2 ½ by 36 inch iron pipe monument to mark the corner. Bearing ties were made to two Aspen trees.

In 1917, E.B Horst recovered the iron pipe monument as indicated in Cass County Record Book "C".

In 1985, Mr. Dave Landecker, recovered the iron pipe monument and set a cast iron monument. Bearing ties were made to an Ash, a Bur Oak, and a Red Oak.

In July of 2001, the Cass County Surveyor's Office recovered the cast iron monument and the Red Oak bearing tree. Additional bearing ties were set to a Gate Post and two Burr Oak trees.

In November of 2002, the Cass County Surveyor's Office recovered the cast iron monument.

In 2006 Kramer Leas DeLeo set a ½" iron pipe monument capped RLS 42619. Bearing tree ties were made to a burr oak, a red oak, and a corner fence post. Kramer Leas DeLeo accepts this as the correct location for the corner.

For details and survey analysis contact Kramer Leas DeLeo in Brainerd, Minnesota.
