<u>Statement of Evidence:</u> Northeast Corner of Section 6, Township 138, Range 30 West, 5<sup>th</sup> Principle Meridian, Cass County Minnesota.

The Original Government Survey was run in 1865 and a post was set to mark the corner. Bearing ties were made to a Norway Pine, an Oak, and two Black Pine trees.

In 1906, Mr. John Curo recovered the original post and bearing ties. Mr. Curo set a 8x8x36 inch concrete post.

In 1920, Mr. Ben Clark recovered the concrete post.

In 1924, Cass County Surveyor records indicate that the Minnesota Highway Department recovered the concrete monument.

In1981, Mr. Al Welle of the Minnesota Department of Transportation recovered the concrete monument. Bearing ties were made to two Burr Oaks and an Elm tree.

In 2006 Kramer Leas DeLeo recovered an 8" by 8" concrete monument and bearing tree ties were made to three oak trees, a shed, and a fence post. Kramer Leas DeLeo accepts this as the correct location for the corner.

For details and survey analysis contact Kramer Leas DeLeo in Brainerd, Minnesota.
