<u>Statement of Evidence:</u> Northeast corner of Section 29, Township 137, Range 29 West, 5<sup>th</sup> Principle Meridian, Cass County Minnesota.

The Original Government Survey was run in 1865 and a post was set to mark the corner. Bearing ties were set to a Black Pine and two Norway Pine trees.

In 1910, Mr. John Curo, recovered the corner and set an 8x8x36 inch cement post.

As indicated on Cass County Corner Card, a road survey of undocumented origin and undocumented date set a 2x48 inch iron monument. Note County Book "C", pg 477.

In 1915, Mr. John Curo recovered the concrete monument. Bearing ties were set to two Jack Pine trees.

On May 16, 1922, Mr. C.J. Bark, Assistant Highway Engineer, recovered the corner as evidenced by a school flag pole NE 75.3 feet, and a Jack Pine tree NW 55.5 feet. Bark set a 6 inch square concrete monument. Bearing ties were set to four hollow iron pipes as follows:

A 2" hollow iron pipe NE 55 feet

A 2" hollow iron pipe NW 55 feet

A 2" hollow iron pipe SW 46.7 feet

A 2" hollow iron pipe SE 46.7 feet

In June of 2006, Kramer Leas DeLeo recovered a 1" iron pipe monument and made bearing tree ties to a red oak, a burr oak, a power pole, and a corner fence post. Kramer Leas DeLeo accepts this as the correct location for the corner.

For details and survey analysis contact Kramer Leas DeLeo in Brainerd, Minnesota.
