Document Number _____

Statement of Evidence:

North Quarter Corner of Section 29, Township 135 North, Range 31 West,
Meadowbrook Township, 5th Principal Meridian, Cass County, Minnesota.

1870

The original government survey for the subdivision lines were ran by Richard Cronk and the original notes show a wood post set with the following bearing trees:

10" LINN	N 01° E	3 Links
7" ASPEN	S 22° E	8 Links

May 1907

Twp. Rd order shows no survey.

April 25, 2009

Timothy D. Larson, PLS # 43809, while surveying in Section 29, could not locate the corner. The written history is thin and does not give a conclusive picture as to the true corner location. We established this corner by single proportionate measurements between the Northeast corner of Section 29 and Northeast corner of Section 30 and centered the corner in the existing gravel road. The corner fit well with the fence line to the south. A capped iron monument was set after performing an unsuccessful secondary search for any evidence of an old corner in the area.
