STATEMENT ON EVIDENCE

WC to MC of Section 12, Township 143 North, Range 29 West of the 5th Principal Meridian.

In 1873, P.H. Conger, U.S. Deputy Surveyor, set a wood post in place to mark the location of this corner. No trees were near for BT's.

On June 30, 2011, a Northern Engineering & Consulting survey crew searched for post and found nothing. They computed a line "North" from the Northeast Corner of Section 13 ("North" was established as a line from the Northeast Corner of Section 24 to MC #9 on the East line of Section 25 as shown on 1918 Resurvey Plat) and set a point on the shore for the witness to the meander corner position in the lake and set a 1/2" rebar, 4 foot long, with a 3-1/2" diameter brass cap, flush with the surface grade. No ties were set. Original MC position falls in Leech Lake. WC set to mark East line of Section 12 near lake.
