STATEMENT ON EVIDENCE

Southeast Corner of Section 36, Township 143 North, Range 31 West of the 5th Principal Meridian.

In 1875, B.C. Baldwin, U.S. Deputy Surveyor, set a wood post in place to mark the location of this corner and established a bearing tree as follows: a 6" Burr Oak, N88°30'E 11.70 chains.

In 1918, Albinus N. Kimmell, U.S. Cadastral Engineer, set a 3" x 36" iron pipe with stamped brass cap while running the South line of the Township and dug pits 30" x 18" x 12", North, East, and West 3.0 feet. (Running notes on file in Cass County Survey Department).

On April 05, 2011, a Northern Engineering & Consulting survey crew searched for corner and found nothing. They computed the lost single proportion position between the NE corner of Section 1 and the West 1/16 corner of Section 1 and set a 1/2" rebar with a 3.5" brass cap at surface grade. Three new ties were set as shown on the front page of this certificate.
