 OR FOUND.

Statement of evidence for this corner position is on the back of this page

Statement of Evidence (R-7)

North Quarter Corner, Section 29, Township 139 North, Range 29 West, Cass County, Minnesota.

1865 - In accordance with a joint contract dated April 12, 1865, George B. Wright and Thomas B. Walker, deputy surveyors, completed the subdivision of Township 139 North, Range 29 West, 5th Principle Meridian, in August, 1865. The subdivision and map was subsequently approved on February 13, 1866 by the U. S. Surveyor General's Office. The referenced wood post government corner was set as noted from which:

10" Tamarack	N14°E	10 Lks (6.6 feet)
6" Tamarack	S23°E	15 Lks (9.9 feet)

2002 - David Landecker showed monument found on Certificate of Survey.

Landecker & Associates, Inc. files contain a calculated breakdown of Section 20 showing subject corner set proportionately between corresponding corners.

2006 - Cynthia M. Hidde, RLS #44881, Landecker & Associates, Inc., weighs the evidence surrounding the location of the found existing monument and determines it to be a perpetuation of the original corner. Monument was not able to be established at this position as it would fall within the flowage on the southerly end of Tamarack Lake located in said Section 20.
