## Statement of Evidence:

## East corner of Section 30, Township 136 North, Range 30 West

Oct. R. Cronk, GLO Deputy Surveyor set a wood post for the original corner and referenced it as follows:

8" Spruce N73°E 20 links (13.34 feet) 9" Spruce S40°W 35 links (23.35 feet)

James Nielsen, LS 11865, while surveying in Section 29, computed this corner by using single proportion, on line and mid way between the NW and SW corners of Section 29.

Jan. John Walker, LS 18098, used Nielsen's position for the 2004 East 1/4 corner of Section 30 during a survey of the Stoney Brook Fisheries Management Area for the Minnesota DNR, (DNR file no. FMA00508).

May Craig E. Johnson, LS, CFedS, 44530, while surveying in Section 29, found Nielsen's 1/2" pipe capped 11865, Johnson accepted the pipe as the corner and set reference ties as depicted on the face of this certificate.
