

STATEMENT OF EVIDENCE**North Quarter Corner of Section 19, Township 135 North, Range 32 West, 5th P.M.**

The Department of Natural Resources, Division of Lands and Minerals, contacted the following offices for information regarding this corner:

MN History Center
 Wadena County Highway Department
 Cass County Surveyor
 Wadena County Recorder
 Nyberg Surveying
 Roy Smith, Land Surveyor

- 1866 The US General Land Office field notes, on file in the History Center, show this corner to be marked with a post and a note stating no live trees near.
- 1920 County Book "C" pages 366- 371, E. B. Horst, Cass County Engineer, and Lincoln Mackey, assistant, survey for Rainbow County Road. An old stake marked $\frac{1}{4}$ S. was found and an iron monument was set and ties were taken:
- | | | | |
|-----------|-----|------------|-------|
| Jack Pine | 10" | N 44°49' E | 92.7' |
| Jack Pine | 14" | S 25°05' W | 53.6' |
- A distance of 2190.6' was measured to the northwest corner of the section and a distance of 2634.9' was measured to the northeast corner of the section.
- 1929 Cass County Land Corner Record calls for County Ditch Survey Book 166 – Box 2 of 60 Ditch Survey Books, page 10.
- 2012 In February, the DNR survey crew searched for evidence of the corner and located the centerline of an east-west gravel road and tree line occupation north and south. The survey crew also located the northwest and northeast corners of the section. No other evidence of the corner was recovered. After analysis, the corner was determined to be obliterated, the centerline of the east-west road and the adjacent section corners were determined to be the best available evidence of the corner location. The corner was computed in the centerline of the road and proportionally between the section corners using the 1920 measurements. An iron monument was set to mark the corner location as shown on the face of this document.
- Northeast Corner of Section 19 bears S89°24'39"E 2635.61'
 Northwest Corner of Section 19 bears N89°19'35"W 2191.36'
