Index No. A-7

Statement of Evidence

North Quarter Corner of Section 5, T135N, R 32 W, Cass County, Minnesota

- 1858 The Original Government Survey was run and a post was set to mark the corner. Ties were made to two Tamarack.

- 1899 Township road order shows no survey. (CCSO corner card)

- 2013 Crews from Kramer Leas Deleo searched the area and found no evidence of the corner or accessories. A 60" x 1/2" pipe with RLS cap 23668 was set at a lost location between indexed corners A-5 and A-9. No bearing ties were available in the area, this area is wetland with small willow brush.

- 2013 On February 19, 2013, James Kramer, PLS #23668, analysis of record and survey information indicates the set 1/2" pipe to be the perpetuation of the original corner.
