## Statement of Evidence

## East Quarter corner of Section 22, Township 139 North, Range 27 West, 5th Principal Meridian.

- The US General Land Office, in notes of the subdivision of Township 139 North, Range 27 West, set a post for the original corner and referenced it as follows:

  8" Jack Pine N 80° E 12 links 6" Maple S 67° W 36 links
  Said records are on file with the Minnesota Historical Society, St. Paul, Minnesota, copies are filed with the Cass County Surveyor's Office (CCSO).
- 1937 CCC Washburn Lake field book no. 1, page 22, on file at the DNR office in Brainerd show CCC personnel set a post at the approximate ¼ corner position 40 chains from the south".
- KLJ field crews searched the area and found nothing. This corner was set lost by single proportion between the NE 22 and the NE 27. A 5/8" x 24" rebar with plastic cap stamped "Leas MN 42619" was set to mark the corner position and is witnessed with the ties shown on the front of this certificate. Jarrett Leas, RLS #42619, after analysis of record and survey information accepts this monument as the correct perpetuation of the corner.
