Statement of Evidence

North Quarter corner of Section 29, Township 139 North, Range 27 West, 5th Principal Meridian.

- The US General Land Office, in notes of the subdivision of Township 139 North, Range 27 West, set a post for the original corner and referenced it as follows:

 7" W. Birch N 18° E 15 links 4" W. Maple S 78° W 16 links Said records are on file with the Minnesota Historical Society, St. Paul, Minnesota, copies are filed with the Cass County Surveyor's Office (CCSO).
- 1937 CCC Washburn Lake field book no. 1, on file at the DNR office in Brainerd show CCC personnel, at 40 chains from the east, set an approximate ½ post between the approximate NE corner of Section 29 and the approximate NE corner of Section 30.
- KLJ field crews searched the area and found nothing. This corner was set lost by single proportion between the NE 30 and the NE 29. A 5/8" x 24" rebar with plastic cap stamped "Leas MN 42619" was set to mark the corner position and is witnessed with the ties shown on the front of this certificate. Jarrett Leas, RLS #42619, after analysis of record and survey information accepts this monument as the correct perpetuation of the corner.
