Statement of Evidence

**East Quarter corner of Section 11, Township 139 North, Range 26 West, 5th Principal Meridian.**

- 1863    The US General Land Office, in notes of the subdivision of Township 139 North, Range 26 West, set a post for the original corner and referenced it as follows:  
4" Soft Maple            S 75° W            30 links            7" Aspen            S 60° E            7 links  
Said records are on file with the Minnesota Historical Society, St. Paul, Minnesota, copies are filed with the Cass County Surveyor's Office (CCSO).
- 2013    KLJ field crews searched the area and found nothing. This corner was set lost by single proportion between the NE 11 and the NE 14. A 5/8" x 24" rebar with plastic cap stamped "Leas MN 42619" was set to mark the corner position and is witnessed with the ties shown on the front of this certificate. Jarrett Leas, RLS #42619, after analysis of record and survey information accepts this monument as the correct perpetuation of the corner.
