STATEMENT ON EVIDENCE

Meander Corner No.2 of Sections 1 & 12, Township 139 North, Range 27 West of the 5th Principal Meridian.

In 1864, Johnson and Thornton, U.S. Deputy Surveyors, set a wood post to mark the corner location while marking subdivision lines of the township and established bearing trees as follows: a 8" Jack Pine S 42° W 125 links; a 6" Elm N 82° W 130 links;

Record on file with the Minnesota Historical Society in St. Paul, MN and copies filed with the Cass County Highway Department, Surveyors Office (CCHD/SO).

On September 26, 2014, a Northern Engineering & Consulting survey crew searched for corner and finding nothing, determined corner to be lost. They set a ¾" iron pipe with cap stamped RLS 21367 on line between the NW corner of Section 12 and the computed NE corner of Section 12, in Lake George. They marked 3 new ties as shown on the front of this certificate. The monument set is accepted as marking the line between Sections 1 and 12 near the shore of Lake George.
