Statement of Evidence

Northeast corner of Section 8, Township 137 North, Range 31 West, 5th Principal Meridian.

Nov/Dec Richard Cronk, Deputy Surveyor, General Land Office (GLO), set a post for the original corner and referenced it as follows:

15" N.Pine S 40° E 1.22 chains (80.5 feet) 17" N.Pine S 6°31' W 1.30 chains (85.8 feet) 16" N.Pine N 70° W 95 links (62.7 feet) 10" Dead W.Pine N 44° E 82 links (54.12 feet) The above record is on file with the Minnesota Historical Society in St. Paul, Minnesota, copies are filed

with the Cass County Highway Department, Surveyor's Office (CCHD/SO).

April Craig Johnson, LS 44530, and Cody Johnson, technician, found no evidence of original corner. Set a ½" x 16" iron pipe with cap marked "Clark 44530 at GLO plat distance from the Northeast corner of

Section 5 (5232.48) and GLO plat distance from the Northeast corner of Section 9 (5228.52). The 4 GLO ties to the wetlands surrounding the Northeast corner of Section 8 seemed to corroborate

the position. New witnesses established as follows:

14" Poplar N 30° W 29.15 feet 17" Red Pine S 20° W 7.64 feet

17" Poplar S 85° E 7.70 feet

Corner position monumented in 2015 is accepted as the obliterated position for the corner.
