DATUM= CASS COUNTY SOUTH

NAD 83/96 ADJ.

US SURVEY FT.

Statement of evidence relative to this corner is on back of page.

Index No. R.0-21.0

Statement of Evidence:

Northeast Corner of Section 26, Township 134, Range 32 West, 5th Principle Meridian, Cass County, Minnesota

Oct 1870 W.P Allen, General Land Office (GLO) Deputy Surveyor in the survey of the subdivision of Township 134 North, Range 32 West set a post for the original corner and referenced it as follows:

4" Aspen	S76E	22 links
14" Oak	S45W	120 links
10" Oak	N46W	212 links
4" Oak	N18E	26 links

1998 and 1999 Ronald Engelmeyer, LS 13334 found and used this corner for a survey in the Northeast Quarter of Section 26. Certificate of Survey on file in the office of the Cass County Highway/Surveyor's Office.

2006 Emmons and Oliver Certificate of survey shows corner found in place. Certificate of Survey on file in the office the Cass County Highway/Surveyor's Office.

2019 Lakes Area Surveying searched the area for all previous evidence, finding a 2 inch iron pipe in place. Monument location fits centerline of a township road going east and also agrees with previous surveys.

Analysis of the recovered record data, field evidence and survey measurements, indicates that the monument found by Lakes Area Surveying in 2019 is the accepted location of this corner.
