MICHAEL STANG

11/2/2020 License No. 52591
DATE

- County Surveyor Deputy County Surveyor Professional Land Surveyor

L.0-21.0

EAST QUARTER CORNER OF SECTION 14 TOWNSHIP 138 NORTH,
RANGE 32 WEST OF THE 5TH PRINCIPAL MERIDIAN

In 1870, the original Government Surveyor (Black) set a post in place to mark the location of this Public Land Survey Corner with the following bearing trees:

9" Black Pine, South 2.5 degrees West, 12 links

12" Black Pine, North 71 degrees West, 60 links

Information on file at the MN Historical Society, St. Paul, MN and copies at Cass County Highway Department/Surveyors Office (CCHD/SO).

In 2020, Northwestern Surveying and Engineering, Inc., a private Land Surveying and Engineering firm, was conducting cadastral surveying in this area. After research and review of historic documents and records a survey crew searched for evidence of this position.

On 8/18/2020 a crew searched and found no evidence of this corner. A ½" iron rebar with plastic cap stamped "Stang 52591" was set using lost methods. New ties were taken as shown on the previous page.
