- 1912** A MAP OF JUDICIAL DITCH No. 1, CASS AND AITKIN COUNTIES shows ditches constructed along the east line of the northeast quarter of Section 19 and also the East-West quarter line.
- 1920** Ben F. Clark, found some resurvey bearing trees, set a post at this corner in the "ditch dump" and surveyed southerly. He measured 2619.9 to the corner of sections 19-20-29 and 30.
- 2023** A Cass County Survey crew set a monument at a position determined by using the Ditch Map and stationing for Cass- Aitkin Judicial Ditch Number 1 and the as-built location of the roads and ditches to the North and West. Significant research was conducted to deduce the relationship between the section line and improvements. The locations determined from improvements resulted in section line dimensions that matched closely with the stationing shown on the plans.
