COUNTY OF CASS, : :
TOWNSHIP OF PINE RIVER, : :

SS.

Whereas, upon the petition of eight or more legal voters, who own real estate, or who occupy real estate under the homestead or pre-emption laws of the United States, or under contract from the state of Minnesota, within three miles of the road proposed in said petition to be laid out; which said petition was filed with the town clerk, who forthwith presented it to us for action thereon, and which proposed new road, with alteration or vacation of old road, is set forth and described in said petition as follows, viz.:

Beginning at a point known as the Potteryman crossing located on the N.W. of the S.E. 1/4 sec. 26 township 138 - Range 30. Then to follow the N.W. & S. Railway along the east side to a point known as the Post Office crossing about two and three fourths (2 3/4) miles N.W. of the place of beginning.

And whereas, upon receiving said petition, we did, within thirty days thereafter, make out an order or notice of hearing and fixed therein a time and place at which we would meet and act upon such petition, to wit: On the 8th day of July, A. D., 1913, at one o'clock P. M., at the point on said road known as the Robidon crossing, causing copies of such notice to be posted in three public places in said town at least ten days before such meeting; and having met at such time and place as above named in said notice, and being satisfied that the petitioners had, at least ten days previous to said time caused said notice of time and place of hearing to be given all of the occupants of the land through which such highway might pass by serving the same personally upon each of said occupants, proof of which was shown by affidavit, we proceeded to examine personally such highway and heard any and all reasons for or against the laying out of the same; and being of the opinion that such laying out or altering or vacating was necessary and proper, and that the public interest would be promoted thereby, we granted the prayer of said petition, and determined to lay out, alter or vacate said road, the description of which as so laid out, and altered, is as follows:

It is therefore ordered and determined that a road be, and the same is hereby laid out according to the description last aforesaid, and it is declared to be a public highway, four rods wide, the said description above given being the center of said road.
